Panel	Description	Dialog
1.1	Splash Panel of Dr. Wells in his lab working. His work table is loaded with electronics equipment. He is completely engrossed in his work.	Caption: In his lab in downtown Grandale Dr. Henry Wells is enveloped in his research completely unaware...

Panel	Description	Dialog
2.1	An alarm goes off startling Dr. Wells.	Caption: that danger has come looking for him.  DR WELLS What the hell?
2.2	Dr. Wells goes to the security monitor to see what is causing the alert.	DR WELLS Let's see what the commotion is about.
2.3	A close-up of the monitor shows a thug outside picking the lock to the main entry door.	DR WELLS Oh no.
2.4	Dr. Wells grabs his notes and the invisibility watch.	DR WELLS I can't let them get their hands on these.

Panel	Description	Dialog
3.1	The thug breaks into the lab but Dr. Wells is gone along with his research and the invisibility watch.	Caption: The thug manages to break in to the lab.  THUG Where the hell did he go?
3.2	He searches thoroughly, but fails to find what he was sent to retrieve.	Caption: But he does not find what he was sent to find..
3.3	The thug realizes what he seeks is not there and that his boss is going to be upset.	Caption: And he knows that failure comes with a price.  THUG Oh, the boss is gonna be pissed.

Panel	Description	Dialog
4.1	Dr. Wells is running down a street.	Caption: Dr Wells flees knowing his unwelcome guest will not be far behind him.
4.2	A sketchy looking teenager bumps into Dr Wells.	Caption: But, he is so fixated on avoiding one person's attempt to steal his work.
4.3	A close-up of the teenager picking Dr. Well's pocket and taking the watch.	Caption: That he misses another.
4.4	A focus on the teenager looking at the watch as Dr. Wells continues to run off in the distance, unaware of having been robbed.
